

# Visiting Assistant Professor Chemistry & Biochemistry- Analytical focus

The Department of Chemistry and Biochemistry at Kalamazoo College invites applications for a Visiting Assistant Professor with a focus on Analytical Chemistry. Position begins in September 2024 through June 2025. A Ph.D. in Chemistry, or the equivalent is required (or evidence of imminent completion). Prior teaching experience is desirable, with candidates demonstrating an interest in undergraduate teaching. Candidates who have experience with programs and pedagogical approaches that are especially effective in attracting and retaining women and students who are typically underrepresented in the discipline are especially encouraged to apply. Kalamazoo College has made a commitment to inclusive excellence. The successful applicant will demonstrate a strong commitment to working with students, faculty, and staff from diverse social, cultural, and economic backgrounds. The department seeks to mentor visiting faculty to prepare them for a future tenure track position at a liberal arts college.

[Kalamazoo College](#), home of the Arcus Center for Social Justice Leadership, is a nationally known liberal arts college with 1370 motivated students, offering an integrated undergraduate experience that weaves a traditional liberal arts curriculum into domestic and international educational experiences. The College is also a part of the [Posse Foundation](#) program, which adds to the rich diversity of the campus. About 10% of Kalamazoo students major in Chemistry or Biochemistry. Graduates of the Department pursue studies in the health care field, graduate-level work in the discipline, or move directly into industrial positions.

The campus is located midway between Chicago and Detroit, and the Kalamazoo area encompasses a community of 335,000, which supports several college and university campuses along with numerous civic arts and cultural associations. Thirty-five miles from Lake Michigan, the area offers many opportunities for outdoor activities.

Review of applications will begin immediately and will continue until the position is filled. Candidates should have two letters of reference (including at least one specifically addressing teaching) sent to: [chemistrysearch@kzoo.edu](mailto:chemistrysearch@kzoo.edu) with a subject line in the format of lastname\_firstname
