

General Chemistry Laboratory Coordinator

Lafayette College: Faculty Positions: Chemistry

Location: Easton, PA

Open Date: Jul 17, 2024

Description

The Department of Chemistry (<https://chemistry.lafayette.edu/>) at Lafayette College is seeking a 12-month non-tenure track lab coordinator to join the department beginning in July 2025. The lab coordinator is responsible for the development and implementation for laboratories in the **introductory (general) chemistry** sequence. The individual will work in cooperation with a team to develop and implement all aspects of the General Chemistry laboratory sequence. Additional information about the position and the required application materials can be found at <https://chemistry.lafayette.edu/chemistry-home/general-chemistry-lab-coordinator/>.

Lafayette College is a highly selective, private undergraduate-only liberal arts college with 2,700 students located within 70 miles of New York City and Philadelphia. The College is deeply committed to creating a diverse community: one that is inclusive and responsive, and is supportive of each and all of its faculty, students, and staff. All members of the College community share in the responsibility for creating, maintaining, and developing a learning environment in which difference is valued, equity is sought, and inclusiveness is practiced. All Lafayette operations reflect the College's commitment to Diversity, Equity, Access, and Inclusion (DEAI) initiatives, and Lafayette welcomes applicants from diverse backgrounds.

Qualifications

Candidates must have a M.S. or Ph.D. in Chemistry, or a closely-related scientific discipline; the Ph.D. degree is strongly preferred.

Application Instructions

Applicants should upload their materials at <http://apply.interfolio.com/149979>. Applicants should provide a cover letter, curriculum vitae, a statement of teaching expertise and philosophy (1-2 pages), and they should arrange for three letters of recommendation to be submitted by the evaluators by October 4, 2024 to receive full consideration. In the cover letter, candidates should address how their teaching, mentoring, and/or service will support Lafayette College's commitment to diversity and inclusion, (<https://about.lafayette.edu/diversity-statement/>). Prospective applicants with inquiries about the position can contact Chip Nataro, Marshall R. Metzgar Professor, Head of Chemistry, and Chair of the Search Committee at nataroc@lafayette.edu or 610-330-5216.
