

Visiting Assistant Professor of Chemistry

Lafayette College: Faculty Positions: Chemistry

Location: Easton, PA

Open Date: Jul 17, 2024

### Description

The Department of Chemistry (<https://chemistry.lafayette.edu/>) at Lafayette College is seeking a person to join our department in January 2025. The position is for a full-time, visiting assistant professor and will run through July 2026. The successful candidate will have expertise in organic chemistry with shared teaching duties primarily in our organic chemistry and introductory (general) chemistry sequences. Additional information about the position and the required application materials can be found at <http://chemistry.lafayette.edu/assistant-professor-2020/>.

The teaching load for visiting assistant professors at Lafayette College is three lecture courses each semester; two three-hour laboratory sections are equivalent to a lecture course. While not a requirement, opportunities and support are available for the successful candidate to mentor students on research projects.

Lafayette College is a highly selective, private undergraduate-only liberal arts college with 2,700 students located within 70 miles of New York City and Philadelphia. The College is deeply committed to creating a diverse community: one that is inclusive and responsive, and is supportive of each and all of its faculty, students, and staff. All members of the College community share in the responsibility for creating, maintaining, and developing a learning environment in which difference is valued, equity is sought, and inclusiveness is practiced. All Lafayette operations reflect the College's commitment to Diversity, Equity, Access, and Inclusion (DEAI) initiatives, and Lafayette welcomes applicants from diverse backgrounds.

### Qualifications

Candidates with a Ph.D. degree in organic chemistry are strongly preferred, although highly-qualified and experienced candidates nearing completion of the doctoral degree (ABD) will receive consideration. Prior teaching experience is preferred.

### Application Instructions

Applicants should upload their materials at <http://apply.interfolio.com/149975>. Applicants should provide a cover letter, curriculum vitae, a statement of teaching expertise and philosophy (1-2 pages), and they should arrange for three letters of recommendation to be submitted by the evaluators by October 4, 2024 to receive full consideration. In the cover letter, candidates should address how their teaching, mentoring, and/or service will support Lafayette College's commitment to diversity and inclusion, (<https://about.lafayette.edu/diversity-statement/>). Prospective applicants with inquiries about the position can contact Chip Nataro, Marshall R. Metzgar Professor, Head of Chemistry, and Chair of the Search Committee at [nataroc@lafayette.edu](mailto:nataroc@lafayette.edu) or 610-330-5216.
