

**Princeton University**  
**Department of Chemistry**  
**Assistant Professor**

The Department of Chemistry at Princeton University invites applications for a tenure-track assistant professor position. The department is especially interested in candidates who can contribute to the diversity and excellence of the academic community through their strong commitment to research, teaching, and mentoring. The search is open to all areas of chemistry, with an emphasis on catalysis, broadly defined, in areas including synthetic organic, inorganic, materials and biological chemistry. We strongly encourage women and minorities to apply. Candidates are expected to have completed the Ph.D. in chemistry or a related field at the time of appointment. Applicants should submit a description of research interests, curriculum vitae, a list of publications, and contact information for three referees online at <https://www.princeton.edu/acad-positions/position/16881>. The deadline for applications is October 15, 2020. Princeton University is an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, or any other characteristic protected by law. This position is subject to the University's background check policy.
