

### **VISITING ASSISTANT PROFESSOR, CHEMISTRY/BIOCHEMISTRY, ROANOKE COLLEGE -**

Applications are invited for an appointment starting August 2019. This is a full-time position with benefits. A Ph. D. in any field of chemistry or biochemistry is required, by August 2019. Teaching duties will primarily be in general chemistry, non-majors courses (part of our Intellectual Inquiry curriculum), and lower division labs. The annual teaching load for visiting assistant professors at Roanoke is a total of seven sections (any combination of semester-long lectures or labs). Excellent teaching and a commitment to liberal learning are expected. Experience teaching freshman seminar/writing across the curriculum is a plus. Research with undergraduates is encouraged but not required. Salary will be commensurate with qualifications and experience. The position, which meets an ongoing staffing need, is an initial one-year appointment with two additional one-year re-appointments possible, conditional on performance and the needs of the College.

Our department offers a B. A. and B. S. in biochemistry and chemistry. To learn about our excellent facilities and ACS- and ASBMB-approved programs, visit [http://www.roanoke.edu/inside/a-z\\_index/chemistry/hiring\\_2019](http://www.roanoke.edu/inside/a-z_index/chemistry/hiring_2019). Roanoke College is a nationally ranked residential liberal arts college affiliated with the Lutheran Church (ELCA), located in the beautiful Roanoke Valley of Virginia. A Phi Beta Kappa institution, Roanoke College is an equal opportunity employer and actively seeks diversity among its faculty, staff, and students; women and members of under-represented groups are especially encouraged to apply. We also seek candidates with interests in mentoring under-represented students, diversifying curricular offerings, or sponsoring diverse community engagement. Applicants are asked to address their potential contributions in support of a diverse community in their cover letters.

Applications should be complete by January 18, 2019 for full consideration. Applicants should send a cover letter, curriculum vitae, unofficial graduate and undergraduate transcripts, and a teaching statement. Materials may be sent electronically or by mail. Applicants should arrange to have three recommendation letters (print or electronic) arrive from the recommender or a reference service not later than January 18. Send application materials to: Chemistry Search, Roanoke College, 221 College Lane, Salem, VA 24153-3794 or [chem\\_search@roanoke.edu](mailto:chem_search@roanoke.edu). Questions about the position may be directed to Dr. Catherine Sarisky, Chemistry Department Chair, 540-375-2438, [sarisky@roanoke.edu](mailto:sarisky@roanoke.edu).
