

Visiting Assistant Professor, Chemistry
Rollins College
Winter Park, Florida

The Department of Chemistry at Rollins College invites applications for a one-year Visiting Assistant Professor of Chemistry position beginning August 2019. We seek a colleague with a commitment to excellence in undergraduate teaching (lecture and laboratory) in organic and general chemistry and potential courses that meet departmental and college needs.

Qualifications:

- Ph.D. in Chemistry
- Post-doctoral experience relative to curriculum requirements highly preferred

Rollins College is a comprehensive, liberal arts college located just north of Orlando, Florida, a diverse metropolitan community with a thriving economic and cultural scene. Nearby, Orlando International Airport provides easy access to U.S. and international destinations. The College emphasizes innovative and quality teaching in small classes and ranks number one among 121 Southern master's-level universities in the annual rankings of "America's Best Colleges," released by *U.S. News & World Report*. Visit the College website at www.rollins.edu.

Rollins College offers an attractive benefits package featuring comprehensive health coverage, retirement savings plan with generous employer contribution and full tuition waiver after one year for employees, spouses, domestic partners and dependents.

Review of applications will close on February 11, 2019. Candidates may apply online directly through the Rollins College employment website. Apply link:
