

The Department of Chemistry at Trinity University invites applications for **two** 1-year Visiting Assistant Professor positions beginning August 2024. Candidates must have a Ph.D. in chemistry, biochemistry, or related field. Prior teaching experience is preferred but not required. Responsibilities will include teaching general chemistry lecture and laboratory. The successful applicant will demonstrate a strong potential for supportive and effective teaching and a commitment to fostering diversity, inclusion, equity and belonging in the classroom, laboratory, and university community.
