

## FACULTY POSITION

### WAYNE STATE UNIVERSITY

The Department of Chemistry at Wayne State University (<https://clas.wayne.edu/chemistry>) is inviting applications for a tenure-track faculty position in Analytical or Organic Chemistry, broadly defined with a focus on interdisciplinary biomedical research. The expected start date is August 2025. A Ph.D. in chemistry or a related field is required for this position. The successful candidate will be expected to demonstrate the ability to establish a nationally recognized, externally funded research program. The candidate will join a dynamic and accomplished faculty dedicated to outstanding research and teaching. Access to state-of-the-art department facilities and collaborative prospects across the main campus, medical school, and local industry will facilitate the candidate's professional development in a supportive environment.

Wayne State University is a premier, public, urban research university situated in the heart of Detroit's cultural center where students from all backgrounds are offered a rich, high quality education. Our deep rooted commitment to excellence, collaboration, integrity, diversity, and inclusion creates exceptional educational opportunities, preparing students for success in a diverse, global society. WSU encourages applications from women, people of color, and other underrepresented people. WSU is an affirmative action/equal opportunity employer.

Please submit your application materials compiled into a single PDF, following the guidelines on the following website.

<https://waynetalent.csod.com/ux/ats/careersite/2/home/requisition/2287?c=waynetalent>.

The required documents are a) a one-page cover letter expressing your interest in joining the Department of Chemistry at Wayne State University, b) a curriculum vitae, c) a 3-5 page research plan outlining your independent research proposal and most significant accomplishments, d) a one-page statement of teaching philosophy, and e) a 1-2 page diversity statement discussing how your lived experiences have informed your values, priorities, and career goals. In addition, please arrange for three recommendation letters to be emailed directly from the letter writer to [facultysearch@chem.wayne.edu](mailto:facultysearch@chem.wayne.edu). For any inquiries, please contact the Chair of the Faculty Search Committee, Dr. Hien Nguyen ([hmnguyen@wayne.edu](mailto:hmnguyen@wayne.edu)). The review of applications will begin on December 1st, 2024, and continue until the position is filled.
