

## **Faculty Intern (STEM- 4CD Teaching Excellence Faculty Internship Program)**

**Posting Number:** F01085

**Location:** No Response

### **Description of Position:**

We are excited to introduce our faculty internship program at Contra Costa Community College District (4CD). The program is titled the “4CD Teaching Excellence Faculty Internship” (4CD TEFI) and will provide opportunities for qualified individuals that are interested in pursuing a teaching career at a California community college in Science, Technology, Engineering, and Mathematics (STEM). This is a paid internship opportunity that will commence in the 2024-2025 academic year. The Fall 2024 semester will consist of Saturday workshops conducted by faculty leads focusing on teaching strategies incorporating principals of diversity, equity, and inclusion. The Spring 2025 semester will pair our interns with a faculty mentor to co-teach and shadow in an actual class section. **Our successful interns will be honored at their own graduation ceremony at the conclusion of Spring 2025, and will be equipped with the knowledge and tools to become successful classroom instructors.**

### **Inquiries:**

Dan Cueva at [dcueva@4cd.edu](mailto:dcueva@4cd.edu) or Sophia Lever at [slever@4cd.edu](mailto:slever@4cd.edu)

**Position Status:** Temporary

**EEO Job Category:** Faculty & Other Instructional Staff

**Employee Group:** No Response

**Department:** M1020-Human Resources

### **Duties and Responsibilities:**

1. Attend kick-off orientation meeting in May 2024.
2. Participate in training workshops in the field of instruction during the fall semester of 2024. Fall training sessions will be held on Saturdays.
3. Learn the role of faculty, pedagogy, curriculum design, enrollment management, job search strategies, multi-cultural styles, diversity/ equity/ inclusion best practices, educational policy and governance.
3. Co-teach classes at an assigned campus location during the spring semester of 2025 under the guidance of a faculty mentor.
4. Learn to prepare a classroom syllabus, and grade assignments.

5. Each faculty intern shall serve under the direct supervision of a mentor. The mentor shall provide substantial direct in-class supervision and evaluation of the intern's teaching capabilities.

**Minimum Qualification-Education/Experience:**

A faculty intern must be enrolled in a **master's or doctoral program** at an accredited institution of higher education in the **STEM** academic discipline to be taught and shall have completed one-half of the course work in a graduate program in a **STEM** academic discipline.
